CERT Classes

Community Emergency Response Teams (CERT) are trained volunteers that help communities mitigate disasters during and following a disaster. The purpose of CERT training is to provide citizens with the basic skills that they will need to handle their own needs and then to respond to their community needs in the aftermath of a disaster.

Interested? Join us beginning October 20 for a 4-week course. (Thursday evenings 6-9 p.m., \$25)

Visit spanishfork.org/cert to sign up!

Exchange Zone

Are you buying something online or on social media? Do you need a safe place to exchange custody of children?

The "Exchange Zone" in the northeast parking lot of the police department is under 24-hour video surveillance and provides a safe place to meet. The two exchange spots are marked on the west side of the main parking lot.

Pressurized Irrigation Shut Off - Water Shuts Down October 17

Once the pressurized irrigation system is shut down, please be sure to turn off your sprinkler system. This will prevent unintentional flooding in the spring.

In order to turn off your sprinkler system, open the green pressurized irrigation box that is located near the sidewalk. Turn the valve in the box perpendicular to the pipe. Watch out for black widow spiders.

Visit spanishfork.org/pi for a how-to shut off video.

It is also a good idea to take the time to unhook your hoses from your outside water faucets. This keeps freezing water from bursting the pipes coming from inside your home.

Snowstorm Parking

City ordinance requires that residents not park anything along the street once snow starts accumulating and during snow plow operations for up to 48 hours after a snowstorm. This has the following benefits:

- 1) Our streets will be cleared from snow more quickly and thoroughly
- 2) Less incidents of snow plows damaging parked vehicles and trailers
- 3) Safer plowing conditions, especially on steep roads
- 4) Nuisance broken down vehicles and trailers are cleared from the streets regularly

For more information, visit spanishfork.org/winterparking. Vehicles and trailers parked on the side of the road during a snowstorm will be subject to fines.
