## Garbage and Recycle Cans

Make sure all garbage cans are out before 7 a.m. on your assigned collection day no matter when your garbage cans are typically picked up. Routes are constantly changing as the City grows. Visit [spanishfork.org/garbage](http://spanishfork.org/garbage) for up-to-date collection day information. Make sure vehicles/trailers are not blocking cans. Do not fill cans with dirt, sod, or burned out charcoal/ashes that make the can too heavy for the garbage truck arm to lift. Make sure lids remain closed so precipitation cannot get into cans.
