Wings and Wheels

Saturday, September 28
8 a.m. to 6 p.m.
Spanish Fork Airport
2050 N. 300 W.

Wings and Wheels 2024 will feature the largest vintage aircraft lineup ever! Come see the B-25 Mitchell known as "Maid in the Shade" which flew 15 bombing missions over Italy during WWII. Also in the lineup is the Douglas C-47 Skytrain known as "Old Number 30" which flew missions behind enemy lines in the Mediterranean. Both airplanes will be selling rides for the event.

All registrations, tickets, and information can be found online at: spanishfork.org/airshow.

General Plan Survey

We want to hear from you! Please take this 5-minute survey where your input will guide the development of a Land Use update to the General Plan. This update will direct future growth and change in Spanish Fork. This same effort will also develop a Station Area plan for the anticipated UTA FrontRunner station. Your input helps ensure the recommendations made reflect the community's vision and needs. The survey has 18 questions regarding potential growth, land use scenarios, and high-level ideas for the Station Area. The survey and more info can be found online at: spanishfork.org/generalplan

Youtheatre

NOTICE TO SPANISH FORK CITY UTILITY CUSTOMERS

State law requires that the City provide an annual disclosure on funds transferred from a utility enterprise fund to any other fund. With the adoption of the FY25 budget on June 18, 2024, the City has budgeted the following transfers.

The City of Spanish Fork has budgeted for the transfer from each utility fund to the general fund as a dividend to Spanish Fork taxpayers. This dividend is the result of the rate payers' investment in the City's utility infrastructure. These funds are used each year to help cover costs of important city services like police, fire, library, senior center, parks and recreation, and other city functions. The utility transfer helps keep property taxes low in Spanish Fork. If City utility services were provided by private utility vendors, these dividends would instead be paid to the private investor-owners. Because Spanish Fork residents are the investor-owners, these dividends are used to offset what otherwise would be a significant increase in property tax rates. These transfers are of funds which cannot be defined as a reasonable allocation of costs between funds. These amounts will not be repaid.

The amounts of the transfers are as follows:	Dollar Amount	% of Expenditures
From the Water Fund to the General Fund	\$ 353,000	2.8 %
From the Sewer Fund to the General Fund	\$ 155,025	0.2 %
From the Power Fund to the General Fund	\$ 1,335,000	3.5 %
From the Storm Drainage Fund to the General Fund	\$ 25,000	0.1 %
From the Solid Waste Fund to the General Fund	\$ 50,000	1.4 %
From the Broadband Fund to the General Fund	\$ 450,000	4.2 %

Spanish Fork City also has a debt obligation that the Power Fund is making payments on. The funds are to pay for the Justice Center (Police/Court Building). This transfer is for funds which cannot be defined as a reasonable allocation of costs between funds. These amounts will not be repaid.

The amount of this transfer is as follows:	Dollar Amount	% of Expenditures
From the Power Fund to the Debt Service Fund	\$ 681,500	1.8 %

A public hearing was held on Tuesday, June 4, 2024 and the budget was adopted on Tuesday, June 18, 2024. The fiscal year begins July 1, 2024 and ends June 30, 2025.

Thank you for your support and involvement as a utility customer of Spanish Fork.
