Pressurized Irrigation Shut-off

Once the system is shut down in mid-October, please be sure to turn off your sprinkler system. This will prevent unintended flooding in spring.

In order to turn off your sprinkler system, open the green pressurized irrigation box that is located near the sidewalk. Turn the valve in the box perpendicular to the pipe.

It is also a good idea to take the time to unhook your hose from your outside water faucet. This keeps freezing water from bursting the pipes coming from inside your home.

Election information

Ballots will be sent out the week of October 14, 2024 for the General Election November, 5 2024.

Track your ballot, find voting requirements and drop box locations, or learn how to register or update your voting registration at vote.utahcounty.gov.

FESTIVAL OF LIGHTS 2024

ADVANCED TICKETING

A beloved tradition returns this holiday season with an important change. Due to the popularity of our Festival of Lights event, we have moved to an **advanced ticketing system**. Beginning **November 1**, you will be able to pay for and reserve a time to see the Festival of Lights easily through sfcitytix.com. Reservation times will be in half hour increments during open times, and you will be able to see which times are sold out, filling up quickly, or still have plenty of availability.

If you try to get in without an advanced ticketing time, you will pay an additional booth fee and run the risk of not getting in.

The Festival of Lights will run nightly from Thanksgiving night (Nov 28), to New Year's (Jan 1) from 6-10 p.m.
