GREEN WASTE DISPOSAL

Residents can download three (3) free vouchers a year that allow them to take loads of green waste to the transfer station. These vouchers give a \$10 credit for each load. You will need to download, print, and bring the paper copy of the voucher when you drop off your green waste. **They will not accept the vouchers electronically.** Vouchers are scanned to ensure that no more than 3 are used for each residence. Download vouchers at spanishfork.gov/greenwaste or scan the QR code.

Transfer Station:

518 West 3450 North, Spanish Fork.

3 FREE VOUCHERS

SPANISH FORK AIRPORT

In 2024, Spanish Fork Airport (SPK) ranked as the busiest general aviation airport in Utah, with 118,542 operations. This impressive activity highlights SPK's vital role in supporting general aviation, flight training, and recreational flying. Spanish Fork Airport handles just over one-third of the operations of Salt Lake International Airport, showcasing its significant activity level despite its smaller size and focus on general aviation.

National Canned Food Month

Did you know February is National Canned Food Month?

It's the perfect time to give your emergency preparedness a boost! Canned food is a superhero in disguise—reliable, convenient, and ready to save the day during power outages, natural disasters, or even hectic family dinners. With a long shelf life and a variety of delicious options like fruits, veggies, meats, and soups, canned foods are an affordable way to build a pantry your family will actually enjoy. Plus, there's something so satisfying about knowing you're ready for the unexpected.

Do you have a canned food storage plan? If not, February is a great time to start! Let's turn that pantry into a powerhouse of preparedness.

Spanish Fork Choral

Now's your chance to join the Choral! If you love to sing and want to make new friends, come make music with us! We practice every Tuesday from 7:00-9:00 p.m. in the Spanish Fork High School choir room. Check out spanishfork.org/arts or facebook.com/spanishforkartscouncil for more information.

Avoid Overhead Power Lines

When working on a building or on a ladder outside look up for power lines and stay as far away from them as possible. Do not get closer than 10 feet to any power line. It is best to use wood or fiberglass ladders and carry ladders down by your side, not with the end up.

Do not trim trees around power lines, call the City (801) 804-4541. Do not plant new trees under power lines. If you ever see any downed power lines, stay away, keep others away, and call 911.

MAIN STREET

MAKING MAIN STREET A PLACE WHERE DRIVERS AND PEDESTRIANS FEEL SAFE WILL ALSO MAKE MAIN STREET AN ATTRACTIVE SHOPPING AND DINING DESTINATION WHERE BUSINESSES SUCCEED.

Spanish Fork City and the Utah Department of Transportation (UDOT) are working together to design an improved Main Street that is safer, less congested, and more inviting for downtown business patrons.

Concept design is underway. Please take this coming opportunity to learn more and share your thoughts.
