FIRE STATION 61 OPEN HOUSE

Bring the family to Fire Station 61 (370 N Main St) on Tuesday, April 22 from 6 to 8 p.m. for an evening of food, fun, and hands-on learning. Enjoy fire truck tours, safety games, live demos, and the chance to meet our local firefighters.

You'll also get a first look at what's ahead for the station—including plans for a future rebuild or replacement to better serve our growing community.

Hot dogs and family activities provided. All are welcome!

Join us on April 22 to learn about future plans for Station 61

K9 MAVERICK

It is with heavy hearts we regret to announce the unexpected passing of K9 Maverick. Maverick has served the citizens of Spanish Fork and Utah County for the past eight years.

Our thoughts are with his handler David Spencer, fellow officers, and everyone who had the privilege of knowing him. Thank you for your service, Maverick.

EXECUTIVE OF THE YEAR

Our very own Dale Robinson was recognized as Executive of the Year at the Utah Recreation and Parks Association conference in St. George. Dale has not only served as the Spanish Fork Parks & Recreation Director for over 27 years, he has also given much time and talent to the Utah Recreation and Parks Association by serving as President of the Central Recreation and Parks Association, President Elect, President and Past President of the Utah Recreation and Parks Association. He has also facilitated many conference sessions teaching many how to improve their communities.

Thank you and well deserved recognition for your many contributions to the field of Parks and Recreation.

PRIDE & PROGRESS PUZZLER

Each month, residents can reply to a Spanish Fork trivia question or puzzle. One lucky winner will score a city-branded shirt, pair of socks, or tumbler!

April's Puzzle:

HOW MANY MILES OF SIDEWALK ARE IN SFC?

Submit your answer through this QR code by April 15:

PRESSURIZED IRRIGATION

We've started filling the pressurized irrigation system for the season. Please check that your irrigation valve is turned off to avoid flooding as the system pressurizes.

The system won't be ready for use until April 15, so please hold off on watering until then. Thanks for your help!
