Choir Guidelines

The mission of the Spanish Fork Chorale is to enrich the lives of its participants by:

- Providing top quality choral direction and music education.
- Encouraging the development of the singer and the individual.
- Building a fun, cohesive, high-quality performing group.
- Improving the quality of life in the community by providing meaningful and entertaining performances.

Attendance and Rehearsal Requirements

- Please attend rehearsals – Being a member is a commitment to participate in all performances that have been planned by the choir director and board. Due to the demanding schedule, members are asked to be at all rehearsals. In case of illness or other unforeseen circumstances, choir members may be excused from rehearsals, but absences should ideally not exceed 3 per semester. If you need to miss a rehearsal, please contact your section leader.
- Try not to be late for rehearsals- Rehearsals will start on time, regardless of the number of choir members present. It is the responsibility of each member to be on time and to be respectful of the choir director and his/her efforts to conduct the rehearsal in an effective manner. If something will regularly prevent you from being on time, please let your section leader know about your circumstances.
- Out-of-rehearsal practice – Members are encouraged to practice at home at least once a week, especially if you must miss a practice. Practice tapes will be posted on the Choir’s website each semester.
- Attendance at dress rehearsals and concerts – Please make an extra effort to attend all dress rehearsals and concerts. If you cannot attend because of unforeseen circumstances, please contact your section leader to let them know. Members should wear the required concert attire at all concerts.

General Requirements

- Keep our rehearsal room tidy – The Spanish Fork High School is very gracious to let us rehearse in their choir room. In order to show our gratitude, the choir room should be returned to whatever state it was in before the choir entered, including the position of the chairs, music stands, and instruments. Please do your best to avoid leaving litter or personal belongings in the choir room after rehearsals.
- Courtesy – Please be friendly and courteous to the choir director and your fellow choir members. We want our choir to have a friendly and welcoming environment for everyone in our community from all backgrounds.

General Requirements (continued)

- Give back to the choir – Consider giving back to the choir by donating a portion of your time. Like most non-profit organizations, the Spanish Fork Chorale relies on volunteers to accomplish most of its goals. We recognize that not everyone has the time or capacity to volunteer. The Chorale could always use some assistance with concert setup and takedown. You can also serve in a position on the board if you have the means. Your willingness to volunteer will help prevent your fellow choir members from getting burned out and will ensure that we all share the workload.
- Invite friends and family – We always need more voices and more friends. Please invite your friends and family to join us!
- Representative of the choir and the city of Spanish Fork – When you are representing the choir in an official capacity in our community, remember to conduct yourself professionally and to treat everyone with respect.
- Have fun!! – Help us make participation in our choir a meaningful and enjoyable experience. Have a good sense of humor and make sure you're always having a fun time at rehearsals and concerts!

Member Registration

We're so glad you've decided to join our choir!

Parks and Recreation Liability Waiver

The Spanish Fork Chorale is a service provided by the Spanish Fork City Parks and Recreation department, all new choir members are required to fill out a one-time liability waiver. You will need to submit it on-line at reconline.spanishfork.org When you go on-line, select New User and follow the instructions. An email will be sent with your password. Please check your Spam folder for this email. This is also where you will go to make your choir payments on-line.

Explanation of Fees and Fines

Our goal is to make participation in the Spanish Fork Chorale as affordable as possible. We don't want the cost of participation to be the reason why someone can't be in the choir. If you have any difficulty affording fees or concert attire expenses, please contact either the choir director or choir president to make alternative arrangements.

Membership Fees

Membership fees help cover staffing costs, music costs, and other general operating costs.

A membership/tuition fee of \$40 per semester is required for each member. In cases where both a husband and wife (or parent and dependent child) sing in the choir a discounted fee of \$60 per couple is required. Membership fees are non-refundable 30 days after payment. Payment can be made online at reconline.spanishfork.org or checks made out to Spanish Fork Recreation can be given to the choir treasurer.

Music Folders

The music librarian will assign each member a music folder with a unique number for tracking purposes. The music folders have been provided to the Spanish Fork Chorale through a generous grant from the Spanish Fork City that was paid for by the Recreation, Arts, and Parks tax (RAP tax).

Lost or damaged music folders will need to be replaced by the choir member at \$25 per folder.

Individual Copies of Music

Music for each concert will be selected by the choir director. The Spanish Fork Chorale will then purchase and provide individual copies of the music for each choir member. All of these copies are owned by the Spanish Fork Chorale. The number written on the individual music pieces given to the member should match their assigned music folder number. Other numbers may not be used unless permission to do so has been given by the music librarian.

All music used by members of the Chorale must be returned to the music librarian immediately following the final performance for which that music was used (or if a choir member leaves the choir for any reason or finds they cannot make that performance). Unreturned, lost, or damaged music will result in a fine to cover the cost of each piece of music. The fine will be based on the cost to order a replacement copy of that piece of music.

Music owned by the Chorale may not be copied for personal use.
