The first statement shall include contributions received and expenditures made up through and including August 5, 2017. Signed campaign financial statements received by the City Recorder are classified as a public record and must be posted to the City's webpage "no later than seven days after the statement is filed."

Any person who fails to comply with this requirement is guilty of an infraction. Each and every failure to file the required campaign financial statement constitutes a separate offense.

The campaign financial statements must include the following information:

1. If the candidate receives and spends less than \$500, they can report an aggregated total of contributions and expenditures.
2. If a candidate receives and spends more than \$500, the candidate must report every itemized transaction. This means candidates who exceed the \$500 threshold must report every individual contribution, not just the contributions that exceed \$50.
3. For each expenditure, the name of the recipient and the amount of the expenditure.

Political issues committees (PICs), Political action committees (PACs), and corporations must report to the Lt. Governor's office any expenditures made to state, county, or municipal candidates on ballot issues. Failure to do so is a Class B misdemeanor (Up to six months in jail and a fine of up to \$1,000).
