They will also be allowed November through February and the week of Memorial Day. See Cemetery Decorations Policies and Procedures on the Cemetery website. Winter decorations are now being removed by the cemetery staff.

SMOKE DETECTOR BATTERIES

Daylight saving time is a great time to replace the batteries in and test your smoke detectors. You should have one in each bedroom, outside each bedroom, and on every level of the home.

You should test the smoke alarms each month, and replace alarms every ten years.

MAKE SURE THE WATER TO YOUR SPRINKLERS IS TURNED OFF

We recommend turning off the water to your sprinkler system at the meter before the city system is energized in April. Find the how-to video at spanishfork.org/pi. Once the outdoor water system is pressurized you can manually test each sprinkler zone.

If you have a sprinkler system filter, check to make sure it is clean. Please be sure to securely replace the lid to the box when you are done. To report a leaking or broken valve or handle, call (801) 804-4550 extension 3.
