GREENXCHANGE PROGRAM 2021

Spanish Fork is excited to bring back the GreenXchange program! We have partnered with UMPA and UCAIR to provide more rebates to our residents. This program switches out gas-powered for electric lawn equipment to reduce pollutants released into the air! You can switch out a lawnmower, snow-blower, trimmer, or leaf blower for a rebate of up to \$300! Visit renewchoice.com/exchange-program starting April 5 to sign up. Terms and Conditions apply.

LIBRARY HALL GROUND BREAKING

The new library building, which will also house the City finance offices and council chambers, has been named Library Hall. A groundbreaking ceremony for the building will be held at the site Monday, April 12 at 3 p.m. Come join us!

MISS SPANISH FORK & LITTLE MISS

Miss Spanish Fork and Little Miss Spanish Fork applications are available now online at www.spanishfork.org. Both pageants will be held in May at Spanish Fork High School.

GREAT UTAH SHAKEOUT

The annual Great Utah Shakeout drill will be held on Thursday, April 15 at 10:15 a.m. As a mock earthquake, the City will use this drill as a functional exercise to test various aspects of disaster response. You should expect to receive an emergency notification around 10:15 a.m. and may notice extra emergency and City vehicles "responding" during the drill.

If you'd like to participate, prepare a 72-hour kit for your family, create an evacuation plan at home or work, and practice that plan. To participate more directly or join CERT- call Trevor Sperry at 801-804-4768.

GARBAGE AND RECYCLE CANS

Please make sure all garbage cans are out before 7 a.m. on your assigned collection day no matter when your garbage cans are typically picked up. Routes are constantly changing as the City grows. See the Garbage Truck Routes Map for up-to-date collection day info at spanishfork.org/garbage.

It is important that vehicles or trailers are not blocking cans. Cans must not be filled with dirt, sod, asphalt, burned out charcoal/ashes, or large appliances that make the can too heavy for the garbage truck arm to lift. Make sure lids remain closed so rain and snow cannot get into cans, weighing down the garbage and contaminating the recyclable materials.

CEMETERY SPRING CLEANUP

The Cemetery Spring cleanup is planned for Monday, April 26. We invite patrons to remove valued decorations on or before Sunday, April 25 so they won't get discarded by the cemetery staff.

Now is also a good time to remove extra shepherd hooks. The decorations policy states that one shepherd hook or vertical structure is allowed for each burial position. Beginning June 7, 2021, shepherd hooks will only be allowed November through February and the week of Memorial Day. See Cemetery Decorations Policies on the cemetery website: www.spanishfork.org/cemetery

CONSTRUCTION WORK

Ever wondered what's being built around town? You can check the City's Construction Work Map for information on construction work: spanishfork.org/construction.
