SPANISH FORK CHORALE

Another semester of the Spanish Fork Chorale is almost here. Come make music with new friends and meet up with old ones. Our first rehearsal is on Sept 7, at 7 p.m. in the Spanish Fork High School choir room. We need YOU!

Visit spanishfork.org/arts for more information.

SERVICE LINE DISCLOSURE

What happens if a sewer or pipeline breaks? By state law, we are required to inform you of your responsibility.

Retail Water

The retail drinking water service lateral line is the pipe that extends between the main water pipe in the road and the home or business. Drinking water meters are typically located in the park strip area or just behind the sidewalk. Spanish Fork City is responsible for the retail water service lateral line from the water main pipe in the road to the meter. The property owner is responsible for it between the meter and the home or business. See [Title 13.04.030H](#) and [SB 45](#).

Sewer Service

The retail sewer service lateral line is the pipe that extends between the main sewer pipe in the road and a home or business. Spanish Fork City is responsible for pipe repairs from the main line in the road to the property line on residential properties. Owners of non-residential property shall be responsible for pipe repairs all the way from the main line to the building. All property owners are responsible for the cleaning and clearing of their entire service line.

All users of City utility services shall keep their service lines and connections and other apparatus in good repair and protected from frost, trees, and other hazards at their own expense. No person shall be allowed to dig into a City right-of-way for the purpose of laying, removing, or repairing any utility line without first obtaining an excavation permit from the City. See [Title 13.04.030H](#) and [SB 45](#).

CEMETERY DECORATIONS

Shepherd hooks that were left behind after Memorial Day are tagged and stored at the cemetery. Please retrieve yours before they are discarded on Oct. 1. Call the cemetery staff with questions. 801-798-5020

UTILITY USAGE PORTAL

Have you seen the utility usage portal? This tool allows utility users to take an active role in water and power conservation by seeing your down-to-the-gallon usage and setting consumption alerts.

Find more information and create your account at spanishfork.org/usageportal
