## THE END OF THE CABLE MODEM ERA

Since July 2016, SFCN has been working hard to bring fiber internet access to the residents of Spanish Fork. Last summer we announced that this mission was accomplished and fiber internet was now available to all residents except for a couple of locations that posed unusual hurdles to reach.

Today, more than 76% of our internet customers have made the switch from the old cable modem network to the new speeds offered by a blazing-fast fiber optic network. What's even better, is that there is no installation charge to make the switch. On top of that, prices for the new, faster PLUS and PREMIUM fiber internet tiers are the same as today's cable modem PLUS and PREMIUM tiers. That's right, no install fee and no change to your monthly bill. What could be easier?

If you haven't already upgraded to fiber, please give us a call or text at 801-798-2877 to schedule your install before the old cable modem network is retired. More information can be found at [www.sfcn.org](http://www.sfcn.org).

Help us help you have a better online experience.

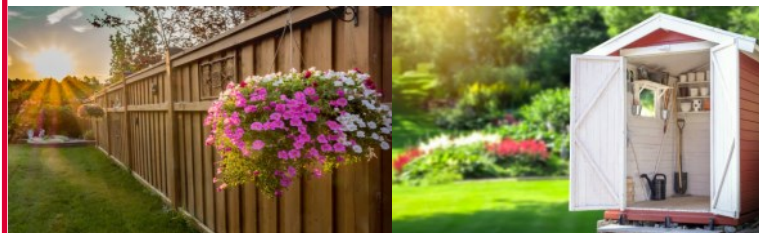

### SPANISH FORK CHORALE

We are well into our Spring Semester! We have new faces and new music and are preparing for our annual Easter (April 10) and Spring (April 29) concerts. There's still time to join us if you want a fun night out once a week with music and friends, old and new. We practice on Tuesdays from 7-9 p.m. in the Spanish Fork High School Choir Room.

Visit the Chorale page at [www.spanishfork.org/arts](http://www.spanishfork.org/arts) for more information.

### FENCE AND SHED PERMITS

Spring is near—and for many of us, that means installing new fencing or sheds. Did you know in a permit is required for all fences over 3 feet high, and for every shed? It's true!

Here's the good part though—there is no fee for these permits (unless the shed is over 200 square feet), and it can all be done online! Just visit us at [spanishfork.org/buildingpermits](http://spanishfork.org/buildingpermits) to learn more, or apply.

You can also call the Building Department (801-804-4540) for assistance, Monday - Friday, 8 a.m. - 5 p.m.

### PIONEER DAY 2022

Because July 24 (Pioneer Day) lands on a Sunday, Pioneer Day will be observed on Monday, July 25. This means the Speedy Spaniard, Grand Parade, and Fireworks will take place on Monday, July 25.

To see the Fiesta Days activity calendar, visit [SFfiestadays.com](http://SFfiestadays.com).

SharedSolar  
Community-Owned Solar Farming

### Now you can be a part of something bigger. **Much Bigger.**

You can lease kWh blocks from the community solar farm located in Spanish Fork! This is a great alternative and an affordable way to utilize renewable power without installing solar panels on your roof, all while getting the benefits of solar power.

To find out more, please go to:

[renewchoice.com/shared\\_solar](http://renewchoice.com/shared_solar)

Participation is an added cost to your utility bill, however, there is potential to reduce your peak energy consumption based on blocks purchased. Please go to the website to get more information and to register.

Please tie or band pair's together.

Donation Locations

Parks & Recreation office at 775 N Main St  
Spanish Fork City office at 40 S Main St

Contact Paizley Healey for more information at 801-734-0652

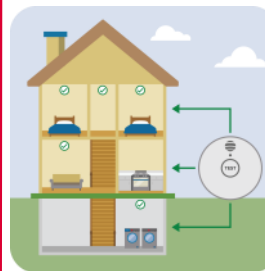

## RAP GRANT APPLICATION OPEN

The application for grant funds through the Recreation, Arts & Parks (RAP) Tax Program is open. Applicants must have their application submitted by March 31.

Apply today at [spanishfork.org/rap](http://spanishfork.org/rap).

## SMOKE DETECTOR BATTERIES

Daylight saving time is a great time to replace the batteries in and test your smoke detectors. You should have one in each bedroom, outside each bedroom, and on every level of the home.

You should test the smoke alarms each month, and replace alarms every ten years.

## GUTTER CLEAN UP

Please keep the gutters in front of your home clean and try to clear out under driveways that bridge over the gutter. A clean gutter looks nicer, and reduces flooding in rain storms, pollution in our streams, and storm drain maintenance costs.
