CALL BLUE STAKES BEFORE YOU DIG

Accidently digging into underground utility lines is dangerous and expensive. Before you dig to plant a tree, install a sprinkler system or build a fence, please call Blue Stakes to have the underground utilities marked for free. Simply dial 811 or go online at www.bluestakes.org two working days before you dig.

FENCE AND SHED PERMITS

Spring is near—and for many of us, that means installing new fencing or sheds. Did you know a permit is required for all fences over 3 feet high, and for every shed? It's true!

Here's the good part though—there is no fee for these permits (unless the shed is over 200 square feet), and it can all be done online! Just visit us at spanishfork.org/buildingpermits to learn more, or apply.

You can also call the Building Department (801-804-4540) for assistance, Monday - Friday, 8 a.m. - 5 p.m.

SharedSolar
Community-Owned Solar Farming

Now you can be a part of something bigger. **Much Bigger.**

You can lease kWh blocks from the community solar farm located in Spanish Fork! This is a great alternative and an affordable way to utilize renewable power without installing solar panels on your roof, all while getting the benefits of solar power.

To find out more, please go to:

renewchoice.com/shared_solar

Participation is an added cost to your utility bill, however, there is potential to reduce your peak energy consumption based on blocks purchased. Please go to the website to get more information and to register.

Are you ready for **Spring?**

Get paid to exchange your gas-powered yard equipment for a battery-powered device!

See all details at:

www.renewchoice.com/exchange-program/

Limited funding available • Terms & conditions apply
